

# **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LONDON BOROUGH OF BEXLEY ON THE PENSION FUND'S FINANCIAL STATEMENTS**

## **Opinion**

We have audited the Pension Fund ("the Fund") financial statements for the year ended 31 March 2024 under the Local Audit and Accountability Act 2014 (as amended). The pension fund financial statements comprise the Fund Account, the Net Assets Statement and the related notes 1 to 24.

The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2023/24.

In our opinion the pension fund financial statements:

- give a true and fair view of the financial transactions of the Fund during the year ended 31 March 2024 and the amount and disposition at that date of its assets and liabilities as at 31 March 2024; and
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2023/24.

## **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the Council as administering authority for the Pension Fund in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard and the Comptroller and Auditor General's AGN01, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the Director of Finance and Corporate Services' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the authority's ability to continue as a going concern for a period of twelve months from when the Fund's financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Director of Finance and Corporate Services with respect to going concern are described in the relevant sections of this report. However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the authority's ability to continue as a going concern.

## **Other information**

The other information comprises the information included in the Statement of Accounts 2023/24, other than the financial statements and our auditor's report thereon. The Director of Finance and Corporate Services is responsible for the other information contained within the Statement of Accounts 2023/24.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

### **Matters on which we report by exception**

We report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014 (as amended);
- we make written recommendations to the audited body under Section 24 of the Local Audit and Accountability Act 2014 (as amended);
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014 (as amended);
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014 (as amended); or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014 (as amended).

We have nothing to report in these respects.

### **Responsibility of the Director of Finance and Corporate Services**

As explained more fully in the Statement of Responsibilities for the Pension Fund Accounts set out on page 165, the Director of Finance and Corporate Services is responsible for the preparation of the Council's Statement of Accounts, which includes the pension fund financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2023/24, and for being satisfied that they give a true and fair view. The Director of Finance and Corporate Services is also responsible for such internal control as the Director of Finance and Corporate Services determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Director of Finance and Corporate Services is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Administering Authority either intends to cease operations, or has no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

## **Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud**

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. However, the primary responsibility for the prevention and detection of fraud rests with Director of Finance and Corporate Services.

Our approach was as follows:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the Fund and determined that the most significant are the Local Government Pension Scheme Regulations 2013 (as amended), and The Public Service Pensions Act 2013.
- We understood how the Fund is complying with those frameworks by making enquiries of the management. We corroborated this through our reading of the Pensions Committee minutes, General Purposes and Audit Committee minutes, and other information.
- Based on this understanding, we designed our audit procedures to identify non-compliance with such laws and regulations. Our procedures involved making enquiries of the management for their awareness of any non-compliance of laws or regulations, inspecting any correspondence with the Pensions Regulator and review of minutes.
- We assessed the susceptibility of the Fund's financial statements to material misstatement, including how fraud might occur by considering the key risks impacting the financial statements and documenting the controls that the Fund has established to address risks identified, or that otherwise seek to prevent, deter or detect fraud. Based on our risk assessment procedures, we identified the manipulation of journal entries of the investment income to be our fraud risk.
- To address our fraud risk we tested the consistency of the investment income from the independent sources of the custodian and the fund managers to the financial statements.
- In common with all audits under ISAs (UK), we are also required to perform specific procedures to respond to the risk of management override. In addressing the risk of fraud through management override of controls, we tested the appropriateness of journal entries and other adjustments; assessed whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluated the business rationale of any identified significant transactions that were unusual or outside the normal course of business. These procedures were designed to provide reasonable assurance that the financial statements were free from fraud or error.
- The Fund is required to comply with The Local Government Pensions Scheme regulations, other legislation relevant to the governance and administration of the Local Government Pension Scheme and requirements imposed by the Pension Regulator in relation of the Local Government Pension Scheme. As such, we have considered the experience and expertise of the engagement team to ensure that the team had an appropriate understanding of the relevant pensions regulations to assess the control environment and consider compliance of the Fund with these regulations as part of our audit procedures.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

## **Use of our report**

This report is made solely to the members of London Borough of Bexley, as a body, in accordance with Part 5 of the Local Audit and Accountability Act 2014 (as amended) and for no other purpose, as set out in paragraph 85 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the London Borough of Bexley and its members as a body, for our audit work, for this report, or for the opinions we have formed.
